

## COFFEE MORNINGS

Additionally we will be holding coffee mornings throughout the year. At these events the museum staff will put on display items from the store room and sometimes new items acquired by the museum. So please do come along and enjoy a sociable morning.

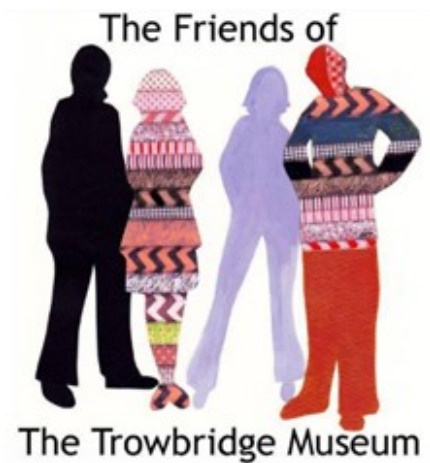

The calendar of events have been arranged to provide an interesting and varied range of activities. Please note the dates in your diary now so that you will be able to support as many of them as possible. Our newsletter THE MUSE will also detail the up coming events.

New Members are always welcome - please encourage your friends to come to the meetings and join the Friends of the Trowbridge Museum.

For more information on the Friends of the Trowbridge Museum please contact any committee member or refer to our social media and web page;
